

Service Recommendations

Wines + Beer + Spirits

This guide will help you create a memory '**beverage list**' for service recommendations. There is space under each variety to fill in a producer (one you will remember) from an old-world and new-world region (along with a bottle suggestion already listed underneath). You'll also find spaces for liquor, beer, and fortified wines. This will help you visually outline which wines you are going to suggest ahead of time so you can more easily recall them!

CHARDONNAY

Old World:

- Oaked-
- Unoaked-
- **Oaked - Domaine Leflaive Meursault**
- **Unoaked - William Fevre Chablis**
